- Purpose of the meeting

Discuss and decide the real world problem that we want to solve and the main topic of our system/software.

- Meeting notes

We organized the 1st informal meeting at 3p.m., on October 20th and came to an agreement that we'll hold the general informal meeting at the same time(3p.m. on Friday) every week.
In the meeting, we have come up with 3 ideas about our task <Propose a real world problem>:
- Flea Market Website
- Classroom Booking System (For organizations/students)
- Nottingham Massive Open Online Courses Website
